I authorise the telephone number/s listed above to be ported to FuzeNet. Please note ports can take 5-21 business days.

I am authorised to request the porting of the telephone number(s) listed on this form.

I acknowledge that I have been advised that:

- by porting the telephone number(s) listed on this form, the service associated with that telephone number is disconnected from the existing service provider's network and may result in finalisation of the account for that service;
- by porting the telephone number(s) listed on this form, any DSL/Spectrum Sharing service associated with that telephone number is disconnected and may result in finalisation of the DSL Spectrum Sharing account for that service; and
- Although I have the right to port the telephone number(s), there may be costs and obligations associated with the port which may include early termination fees and porting fees.
- The service to the telephone number to be ported, must remain active whilst porting to FuzeNet. If the service providing the telephone number is disconnected during the porting process the porting may be rejected and telephone number may be lost and allocated to another user. I must disconnect my service ONLY once the number has successfully ported over to FuzeNet.
